

Solution to Fatherlessness

The Fatherless problem in America has been widely recognized as one of the worst, if not **the** worst, social problem existing in our country today. More than a third of our nation's children won't have a father actively involved in the formative years of their life.

Looking at the root of the problem, I believe that fatherlessness is a social issue stemming from a spiritual problem in our country. It is a problem that will never be totally answered by simply approaching it on the behavioral and emotional levels - the obvious levels that we have to deal with on a day-to-day basis.

The real problem is a spiritual disconnect - caused by the original sin of man - and is ever increasing, and is proliferating towards an out-of-control stage. I believe it is ever increasing due to the strong evil influence on mankind from what the Bible calls the god-of- this- world (Satan) who controls the minds of unbelievers.

The Fast Horses Project's purpose is to encourage this generation, and the next; pointing them in the direction of the truth, in hope they will discover the real answer to the desperation and destitution of mankind.

The real answer for man is what the Holy Bible declares is the answer. In John 14:6 Jesus said, "I am the way, the truth, and the life. No one comes to the Father except through me."

He also said in John 10:10, "The thief (the devil) comes only to steal and kill and destroy; I came that they may have life, and have it abundantly.

Special programs and projects can help people crippled by fatherlessness, but the real answer is found; it begins with a personal relationship with Jesus Christ. It is only through the resurrected Savior, Jesus Christ that both the wounded and the one that did the wounding can experience forgiveness, healing, and wholeness of heart and spirit.

Will you join with those of us involved with the Fast Horses Project - to help this generation and the next look towards a real solution for the void in their life?

If you know Jesus Christ as your personal Savior and Lord you know as well as I do, that every persons hope rests in a personal relationship with Him.

Who will go if there is no preacher? Please help us go today through the encouragement of your prayers, and your financial support.

Thank you and God Bless!!!

Edward (Doug) Hobelman – Senior Minister/President of Open Sky Unlimited.
